Dear Hannah

Enhanced Housing Options Trailblazer Programme

With reference to your letter dated 24 July 2008, I am writing to provide the Cambridge Sub-Regional Housing Board's bid for funding under Programme 2 for Enhanced Housing Options.

The theme of our bid is to develop our Choice Based Lettings scheme, Home-Link, as the brand and portal for Enhanced Housing Options. Our key aims to make best use of the funding, should we be successful, are to build our infrastructure to ensure any enhancements can be sustained beyond the two year funding period and to continue our coherent approach to housing options across the Cambridge sub-region.

I note that we are not required to attend interview on this occasion and submit a revised implementation plan that also shows revised costings. In summary our implementation plan is costed as follows –

Cost to the programme	£238,000
Match funding	£312,000

Please let me know if you require any further information at this stage to substantiate our bid.

Yours sincerely

Alan Carter
