

Your feedback	Our actions
We were asked to ensure that the Green Infrastructure definition was clear and included all types of green infrastructure.	In the Green Infrastructure Strategy Review 2 nd draft we have used a clearer definition, based on Natural England's definition that includes different types of Green Infrastructure.
You suggested a few additions to the Strategic Drivers.	<p>We are presenting the Green Infrastructure Strategy Review 2nd draft as a number of 'themes' which help us think about Green Infrastructure and see how Green Infrastructure can help meet the four main objectives of the Strategy. These themes are:</p> <ul style="list-style-type: none"> • Biodiversity • Climate Change • Green Infrastructure Gateways • Heritage • Landscape Character • Publicly Accessible Open Space • Sustainable Movement
We received a number of comments about our maps stating that they were confusing and required some more explanation.	We have made sure that our maps are easily understood by the use of keys, colour coding and written explanations on all maps.
You felt there was a fair bit of "management speak" in the Green Infrastructure Strategy Review 1 st draft.	We are making sure that, as far as possible, the Green Infrastructure Strategy Review will be written in a simple way, and we will be including a glossary to explain key technical wording or terms.
<p>You were asked to prioritise the four objectives for the Green Infrastructure Strategy Review 2nd draft.</p> <p>To remind you those objectives were:</p> <ul style="list-style-type: none"> • Objective 1 - Reverse the decline in biodiversity. • Objective 2 - Mitigate and adapt to climate change • Objective 3 - Promote sustainable growth and economic development. • Objective 4 - Support healthy living and wellbeing. 	<p>The responses we received resulted in the following priorities (listed in order of priority):</p> <ol style="list-style-type: none"> 1. Support healthy living and wellbeing. 2. Mitigate and adapt to climate change. 3. Reverse the decline in biodiversity. 4. Promote sustainable growth and economic development. <p>We have taken into account your emerging priorities and have ensured that the Green Infrastructure Strategy Review 2nd draft reflects these.</p>
